SALT LAKE BEATS  
HELENA, 24 TO 5

Salt Lake, July 25.—The Skyscrapers indulged in a merry clouting bee yesterday afternoon and all at the expense of their former team-mate, Rex Ames, pounding his delivery for twenty-three hits, which represented a total of thirty-six bases and twenty-four runs to Helen's five. Danny Shay, who apparently believes in permitting a pitcher to remain in the box and take his "needings" when hit hard, compelled the little fellow to take it all. Manager McCloskey again experi-

mented with a young pitcher who was hit hard while it lasted. Fiddler, the former Ogden rube, was given another chance, but he came to grief at a time when the score was yet close, so the local manager yanked him and sent in Dressen. Dressen held the visitors safe until Salt Lake had piled up more than the necessary lead and then he sent in Hungary, the Indian, and shoved Dressen back to first. Salt Lake's twenty-four runs undoubtedly established a record for number of scores registered in one game in any team since the league was organized.

The feature of yesterday's game was the hitting of Pendleton, Dressen and Murphy and the sensational fielding of Schimpff. Manager Danny Shay of Helena announced yesterday that he had released Outfielder Kelly. The local club, which is sadly in need of another pitcher since the suspension of Castleton and the illness of Morgan, started out on a hunt for another twirler today and expects to have an experienced man here before the Great Falls series.

MISSOULA WINS  
FROM COPPERS

Missoula, Mont., July 25.—The local sluggers got to Robinson today and by hammering him for five hits with the aid of his four bases on balls scored nine runs and forced him to retire from the box after he had pitched but two-thirds of an inning. They also hit Pitcher Mulkey, who relieved Robinson, hard.

## BASEBALL

Athletics Shut Out Tigers. Philadelphia, July 25.—Two hard hitting grounders which bounded off Dubuc's glove in the seventh inning prevented him from getting a no-hit game here this afternoon and paved the way for a victory by Philadelphia over Detroit, 4 to 0. The break in the pitching duel between Dubuc and Shawkey, the former Baltimore twirler, who made his debut here for them, came in the seventh, when Moriarity fumbled McInnis' grounder. Oldring got the first hit for Philadelphia, Dubuc being able to only block "Rube" drive with his glove. Barry sacrificed a pass to Lapp filled the bases. Shawkey's single bounced off Dubuc's glove and over the third base foul line, scoring McInnis. A pass to Murphy forced in Oldring and two more runners led when Bauman, who got Bush's throw on Walsh's grounder, retiring Murphy, threw wild trying for a double play. Shawkey was in trouble in three innings. In the

first he threw out Gainer with the bases filled, retiring the side. In the ninth, he fanned Gainer with two bases occupied. And in the fifth he struck out Dubuc and Bush with Stanage on third.

Red Sox Defeat Whites.

Boston, July 25.—A victory for Boston over Chicago 7 to 5 signalized the first appearance of Manager Carrigan here as the leader of the world's champions. The game was a slugging match, each team having to resort to relief pitchers and pinch hitters. Boston drove Clotte from the box in the fifth inning with a volley of singles and Russell, the Chicago pitcher, made a wild pitch in this same inning, giving the locals a lead which the visitors could not overcome. Two singles and a stolen base in the eighth off Hense, procured Boston another run.

Catcher Schalk was put off the field for disputing a decision of Umpire O'Loughlin, who made his first appearance here this season.

## FIFTEEN INNING TIE

Washington, July 25.—In the longest American league game on the local grounds this season Washington and St. Louis today battled to an 8 to 8 tie. The game was called on account of darkness in the fifteenth inning. Baumgardner an Engel started in the box but both were hit hard and forced to retire. Wellman succeeded the former in the first inning and pitched a superb game as did Johnson who was called on in the fourth after Hughes had failed to stop the heavy hitting of St. Louis. The game then resolved itself into a pitchers' battle between Wellman and Johnson. Johnson struck out sixteen men.

Agnew was hit on the jaw by Engel in the fourth inning while at bat and sustained a broken jaw bone. He probably will be out of the game for two weeks.

Before the game, Gandil, Washington's first baseman, was given an automobile by some of his local admirers.

## Naps Beat Yankees.

New York, July 25.—Cleveland defeated New York 3 to 2 today in the first game of the series, a thirteen inning struggle. The game was a hard fought pitchers battle between Mitchell of Cleveland and Fisher and McConnell of New York. Mitchell struck out twelve men, but frequently was wild.

New York scored in the first inning on doubles by Wolter and Danals. Cleveland tied in the fifth at Mitchell's double and hits by Liebold and Chapman. In the sixth Graney hit a home run into the right field stand, but New York tied it up again in the seventh on infield singles by Midkiff and Gossett and Jackson's fumble. In this inning New York made only one run on three singles an error and two passes. Gossett's failure to slide into plate trying to score on a short wild pitch prevented New York from winning in this inning.

Cleveland won in the thirteenth when Chapman walked, took second on Johnston's sacrifice, third on Knight's bad throw and scored on Jackson's double. The fielding of Peckinpaugh and Wolter was a feature.

## Pirates Win Easy Game.

Pittsburgh, July 25.—Nine bases on balls, two hit batsmen, wild pitches and eight hits off Philadelphia pitchers enabled Pittsburgh to walk away with today's game 12 to 2. Carey made what is believed to be a record by scoring five runs though he did not get a hit in the entire game. He landed on first in the first inning on a fumble by Knabe. On his next four appearances at the plate, he walked and scored all five times. He stole four bases and twice he made two bases on wild pitches. Knabe protested Umpire Byron's decision on Wagner at first base in the fifth inning and was put out of the game. Hendrix pitched good ball after the first inning. He allowed the visitors only six hits and struck out nine men. Besides he hit a home run in the second inning with nobody on. The visitors got their only two runs in the first inning after two men were out on Lobert's walk, Becker's triple and a wild pitch.

## OMAHA TOURNAMENT.

Omaha, July 26.—The east and west were scheduled to play for the championship in singles and doubles of the fourth national clay court tournament at the Omaha Field club today. John Strachan and Merrill Hall being contestants for the championship in singles and Hall and Harris with Strachan and Griffin in the doubles.

## AGNEW IN HOSPITAL.

Washington, July 26.—Catcher Agnew of the St. Louis Americans, struck in the face by a pitched ball during yesterday's 15-inning game with Washington, was in a local hospital today, doing well, surgeons said. Some small bones of the face were fractured and concussion of the brain

ON M'LOUGHLIN DEPENDS THE  
RESULT OF BIG TENNIS SERIES

Maurice McLoughlin, American tennis champion whose brilliant playing in the preliminary rounds was the chief factor in earning for the United States the right to engage in a series of games with the English defenders of the Dwight Davis International tennis trophy. The fact that McLoughlin has been going at top speed now for so long his friends and admirers in America are entertaining grave fears that he may find himself unable to continue the terrific pace through the series for the coveted trophy which started yesterday at Wimbledon courts in England. American tennis experts haven't the slightest doubt but that McLoughlin would have triumphed over Anthony J. Wilding, the veteran international single champion in their recent match had not the young American been played out by his exhausting work in the Davis preliminary series in which he had engaged the entire week preceding his match with Wilding. Wilding, who is an Australian, is a great admirer of McLoughlin's style of play, and he predicts that the sensational driving attack of the young Californian with completely upset the English cup defenders and that McLoughlin with the aid of R. Norris Williams, and Harold Hackett, should take the series and the cup without much trouble.

was feared last night. Agnew will be out of the game several weeks.

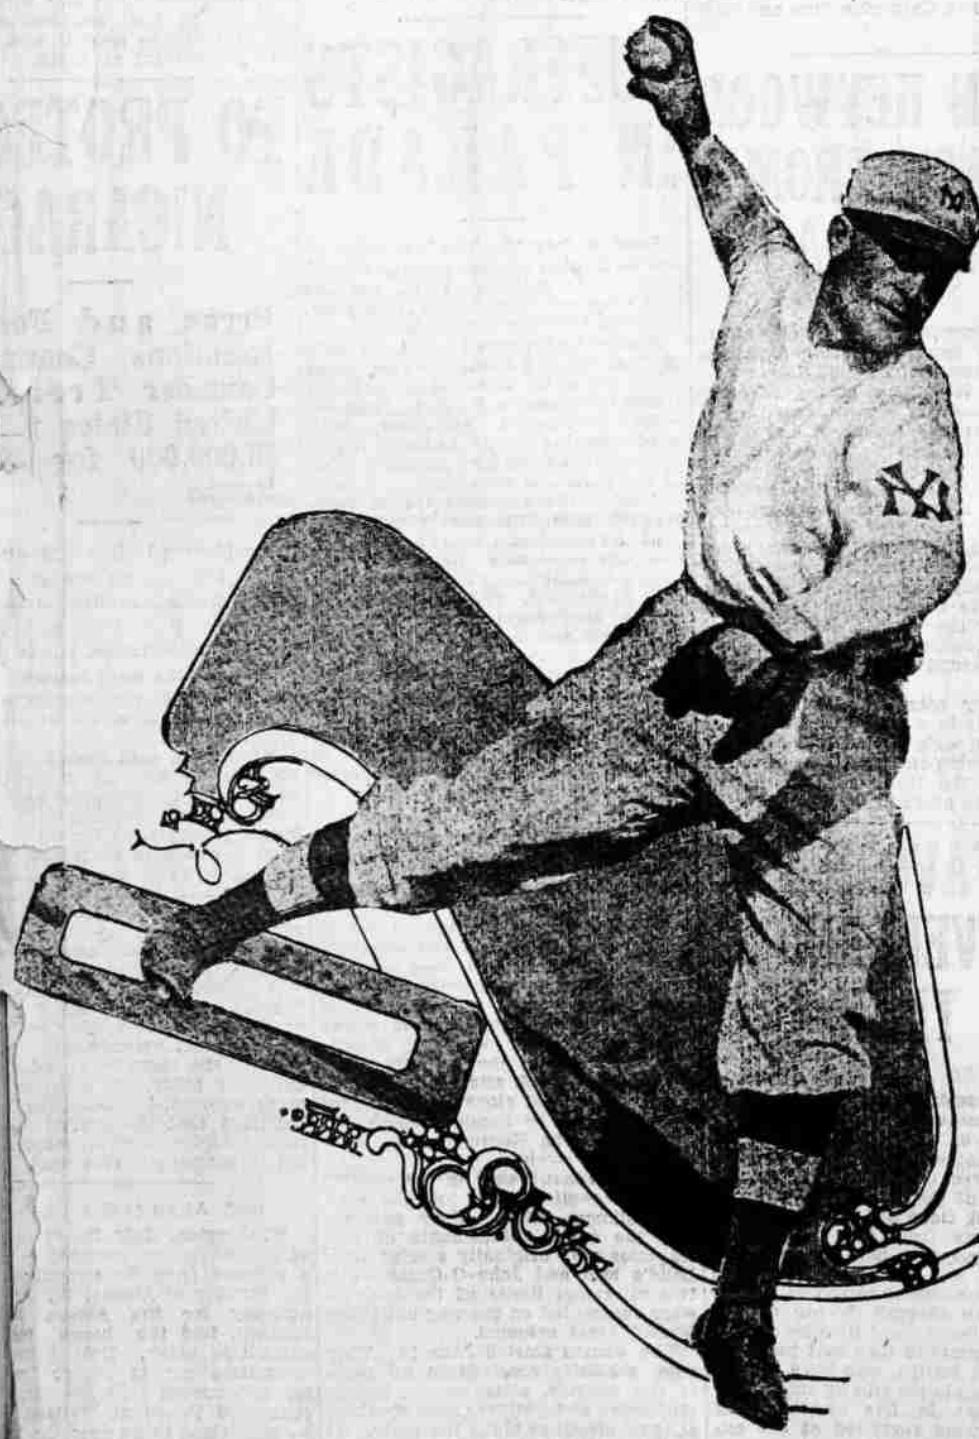

## LONG DISTANCE GOLFING.

London, July 26.—Long distance golfing has become something of a fad in England. Two golfers recently undertook to play from Maldstone to Littlestone-on-Sea, a distance of about 35 miles, in 2,000 strokes. They succeeded in doing it in 1,087 strokes. In a similar contest with a wager as an incentive, Melville Foster and W. Harmon undertook to cover the eight miles of woodland heather and several steep hills from Forest Road to Crowborough in 350 strokes. They succeeded in 184 strokes without losing a single ball.

TY COBB TIES  
JOE JACKSON

Chicago, July 26.—Ty Cobb has tied Joe Jackson for the lead among the American league batters. Figures for this week give the Cleveland slugger and the star Detroit man an average of 400 each. Jackson for 89 games and Cobb for 86. Dan Murphy of the Athletics is third with 390; Speaker, of Boston, fourth with 380; Caldwell, New York, fifth with 364 and Blanding sixth with 359. Earl Yingling, the Brooklyn pitcher, leads the National leaguers with 393 for twenty-two games. Charles McDonald, Boston, ranks second with 377 for 56 games. Third is Miller of Philadelphia with 355. Dabert, Brooklyn and Walsh, Philadelphia, are tied for fourth with 345 each, though Dabert has played in 86 games

## HARTZELL FAITHFUL WONDER

Hartzell, the veteran all-around winning American league team in New York. A veteran of numerous campaigns, Hartzell has meekly submitted to Chance shoving from one position to another, infield and outfield, with never a yelp of discontent, something rare in a big league ball player. Hartzell trusts implicitly in the judgment of the "Peerless Leader" and never loses an opportunity to cause the youngsters on the team to cultivate the same opinion regarding their leader. Hartzell predicts that Chance will make the Yankees a first division contender by the beginning of next season.

WILSON WANTS  
THREE AUTOS

Washington, July 26.—Secretary Wilson of the department of labor, who has informed congress that one touring automobile, an electric runabout and an auto truck are necessary to the good conduct of the new department, apparently has launched his request on a rocky legislative road. Members of the house who were friendly to the cabinet officer's demand, admitted today that the minor "fun" with the item, which probably will be included in the urgent deficiency bill that the appropriations committee is now preparing. "I am afraid Secretary Wilson's requisition will develop tire trouble, bad cylinders and bent axles," said one of the Democratic leaders, "before it gets past the minority objections. Other department heads have their motors and Mr. Wilson should have his, but this is the day of reprisals." Secretary Wilson has estimated that the three cars would cost not over \$8,500. This amount, however, may be cut down by the appropriations committee through the substitution of cheaper cars.
